

Leif Smith, Partner Pattern Research and Explorer's Foundation

Leif founded the Office for Open Network, an information and idea exchange, in 1975. It laid the groundwork for Pattern Research, Inc.. He also founded and manages Smiths Exchange, which provides research and consulting services. Most recently, he founded the Explorers Foundation, <http://explorersfoundation.org/>, a nonprofit organization. Leif scouts for new technologies and opportunities and connects clients with potential workplace partners.
